

Nordic Herbs

Herbs from Finnish nature

- ✓ **Over 30 years of experience** collecting, growing & processing herbs
- ✓ **The biggest company in Finland** processing dried natural herbs
- ✓ **More than 50** different varieties of natural herbs, also Berry powders and dried mushrooms.
- ✓ **We offer** natural herbs, herbal tea mixtures and herbal spice mixtures.
- ✓ **Order mixtures** with your own recipe

Northern grown Finnish herbs are unique because of the amount of light they get during the summer. Light period can be up to 22 hours per day naturally

Long summer nights & hard winters give the best possible nutritional values for our herbs

Our herbs are collected from the clean nature of Finland by our own educated collectors

Each collector has a collector's card which is a proof of high quality & best practices

GROWING & PROCESSING

3

- ✓ **Always** naturally grown
- ✓ **We DO NOT** use any growing agent or pesticides in growing
- ✓ **We educate** our farmers to guarantee the best quality and growing practices
- ✓ **Through experience** we have learned the best drying methods & only process our herbs lightly to preserve the best nutritional values until the herbs are consumed

Nettle: Very high in vitamins and minerals like iron, calcium, vitamin-C & proteins

Dandelion: Excellent digestive with great diuretic values which means your body can handle the food more easily

Roseroot: Proven by studies of university of Sweden
Roseroot gives you more energy and even helps with a minor depression

Basil: King of herbs, known from ancient times

Peppermint: Has the best flavour for desserts, an excellent spice & very fragrant

Hoary willow: traditional and very effective herbal medicine for treating prostate and urinary problems

Good sleep-herbal tea mixture: Our best selling tea which has calming effects and helps you have a good night sleep
